

REMARKS

Applicant is submitting herewith a Certified Translation of the priority document.

As stated in Applicant's Request for Reconsideration filed on November 2, 2006, the Examiner's rejection is flawed because Applicant's priority date is March 26, 2003 as opposed to the Jao filing date of May 2, 2003. Accordingly, it is Applicant's contention that Jao is not a valid reference and that claims 1-7 and 9 should be allowed. A copy of Applicant's certified translation of the priority document Taiwan Application No. 092204669 filed on March 26, 2003 was submitted in the present application on August 17, 2006.

In the Office Action of December 19, 2006 the Examiner stated that Applicant could not rely upon the foreign priority papers to overcome the rejection because a translation of those papers had not been made of record. Accordingly, it is Applicant's contention that the Certified Copy of an English translation of the priority document overcomes the Examiner's rejection.

Applicant's are submitting a Request for Continued Examination herewith.

The Examiner is invited to telephone the undersigned, Applicant's attorney of record, to facilitate advancement of the present application.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,

LOWE HAUPTMAN & BERNER, LLP
